To Whom It May Concern:

We recently were awarded the project of the Wal-Mart remodel of store #1013 located in Clinton Indiana.

We awarded the ceiling cleaning contract to Scott Caruso and Caruso Care, Inc. National Ceiling, Wall, and Lighting Network. I'm sure glad we did. Scott and his team did an outstanding job cleaning 85% of the store and replacing the other 15% of the store per contract. Caruso Care was very thorough in the cleaning of the tile. They were very cautious of the product in the store and they did the project in a very timely manner.

I would have Caruso Care work on any of my remodel projects in the future and I would recommend them to anyone for their future ceiling cleaning needs.

Feel free to contact me anytime to discuss.

Thank you.

Sincerely,
Triangle Associates, Inc.
